### ORDINANCE VIOLATIONS

Anyone using the Convenience Centers to dispose of household garbage without a decal is doing so in violation of the Johnston County Solid Waste Ordinance. If the decal is not stuck on the vehicle's windshield, the site attendant is required to record the license plate number and document the incident as a violation of the ordinance. Civil penalties up to \$500 may be assessed for each violation. Information on the Solid Waste Ordinance and other Violations may be obtained from the Solid Waste Department or [www.jcrecycling.org](http://www.jcrecycling.org).

Littering is punishable under state law and county ordinance. All loads should be secured and covered to prevent littering. To report littering or illegal dumping call the Sheriff's Department at (919)989-5010.

## DECALS

### DECAL WINDSHIELD PLACEMENT

- Remove any old decals from your vehicle.
- Sit in the passenger seat of the vehicle.
- Peel the backing off the new decal.
- Firmly press the decal onto the lower right corner of the front windshield.

**DO NOT TAPE, LAMINATE OR DISPLAY IN PLASTIC – THE DECAL MUST BE COMPLETELY STUCK TO THE WINDSHIELD TO AVOID VIOLATION PENALTY.**

### DECAL REQUIREMENT

**Decals cannot be replicated or moved between vehicles. A receipt for a decal cannot be used in place of the decal.** Each vehicle entering a convenience center or the landfill for household garbage disposal must have the decal stuck to the vehicle's windshield. Commercial entities (including Mobile Home Parks) must dispose of garbage at the Landfill and pay a per ton disposal fee.

### DECAL RULES

- The decal is for household garbage only. Limit one standard (1/2-ton) pickup truck load per week. Additional volumes may be taken to the landfill at a per ton disposal fee.
- If the decal is lost, stolen, vehicle sold, or the windshield replaced and decal is not retrieved, purchase a new decal valid for 12 months.
- Decal removed from your vehicle and returned to our office – replaced at no charge.
- Decals are valid for 12 months from purchase date (Example: purchased May 2018 expires May 2019). All decals are non-refundable.
- Decals are available only to Johnston County residents.
- Decals do not cover carpet, shingles or construction waste disposal. Customers with construction or demolition waste must weigh at the landfill and pay a per ton disposal fee.
